

Okay, here's the corrected and improved text:

"I hope you are doing well. I am writing this email to inform you that I would like to request vacation leave from July 15th to July 25th. It has been a long time since I last took a break, and I am feeling a little exhausted.

Kindly approve my leave request for the above period so that I can plan my trip accordingly. I will make sure all my ongoing work is completed before I leave. If anything urgent comes up, I will try to provide support during my absence.

Thank you for your understanding. I look forward to your approval."
